

## BIPT communication on the national consultation in connection with the addendum to the draft decision on the analysis of market 1

On 14 June 2010, BIPT launched a national consultation in connection with the addendum to the draft decision on the analysis of market 1. This addendum deals with the obligation “voice connectivity”.

At some stakeholders’ request and taking into account the holiday period, BIPT has decided to extend the submission deadline until Friday 6 August 2010.
