

1) Authority in charge of radio interfaces (frequency plan) (article 4.1 of the directive)

BIPT – Belgian Institute of Postal Services and Telecommunications Department
“Equipment – radio notifications”
Boulevard du Roi Albert II, 32 box 10
B-1000 Brussels
Tel.: +32 2 226 87 08
Fax: +32 2 223 11 28
e-mail: notif@bipt.be

2) Information concerning radio interfaces (article 4.1 of the directive)

This information can be found on:

<http://www.bipt.be>

- Frequency plan: “Operators” > “Radio” > “Frequency Management” > “Frequency Plan”
- Radio interfaces: links in the frequency plan table (see above), of “Operators” > “Radio” > “Equipment”

This information is updated regularly.

Apart from the frequency allocation plan, this information also contains some specifications that are recommended for equipment intended to be used in Belgium. If the parameters of these non-compulsory specifications are followed, it can be considered that the equipment complies with the Belgian frequency allocation plan.

Questions concerning the frequency allocation plan can be addressed by e-mail to:

freqadmin@bipt.be

3) Information concerning the types of interfaces and the available technical specifications of the interfaces of public telecommunications networks (article 4.2 of the directive)

BIPT – Belgian Institute of Postal Services and
Telecommunications Department “Equipment – specifications”
Boulevard du Roi Albert II, 32 box 10
B-1000 Brussels
Tel.: +32 2 226 87 33
Fax: +32 2 223 11 28
e-mail: equipements@bipt.be

4) References of the interfaces of public telecommunications networks (article 4.2 of the directive)

<http://www.bipt.be> “Operators” > “Radio” > “Equipment”

This information is updated regularly.
