

1. INTRODUCTION

Which entities must use this form?

The following entities must use this form:

1. Entities subject to a notification obligation laid down in Article 9 of the Act of 13 June 2005 on electronic communications (hereinafter the "ECA");
2. Entities subject to a notification obligation laid down in Article 6/1 of the Act of 26 January 2018 on postal services as well as holders of a postal licence pursuant to Article 6 of the same Act.

This form is not applicable to the following entities:

1. Operators providing number-independent interpersonal communications services within the meaning of the ECA;
2. Postal service providers which are not holders of a postal licence and do not provide parcel delivery services in Belgium.

Operators can use this form to submit the information required by Article 13 of the Act of 26 April 2024 laying down a framework for the cybersecurity of networks and information systems of general interest for public safety.

It is possible to check if you are subject to this obligation by using the [tool](#) provided by the Centre for Cybersecurity Belgium (CCB). In case of doubt, you can contact the BIPT at the following address: net.sec@bipt.be.

Please note that electronic communications or postal service operators which are not subject to electronic notification with the BIPT must directly register on the <https://atwork.safeonweb.be/> platform, insofar as they are subject to the scope (for the postal sector - see below).

Practical modalities

This form must be filled in digitally. If, for signature purposes, the form is printed and scanned, the unsigned digital version and the scanned signed version shall be sent to the BIPT. The forms must be sent to net.sec@bipt.be.

The point of contact and the legal representative receive a confirmation if the registration is valid or, when appropriate, are notified that data are missing.

I am submitting this information:

- For the first time
- To modify the data previously communicated (please note that this only concerns data within the framework of the aforementioned Act and not, for example, data relating to notification as an operator).

A. Choose (several possible choices) the sector(s), subsector(s) and type(s) of entity(/entities) in which your organisation is active.

Providers of public electronic communication networks (providers of transmission systems, whether or not based on a permanent infrastructure or centralised administration capacity, and, where applicable, switching or routing equipment and other resources, including network elements which are not active, which permit the conveyance of signals by wire, radio, optical or other electromagnetic means, including satellite networks, fixed (circuit- and packet-switched, including internet) and mobile networks, electricity cable systems, to the extent that they are used for the purpose of transmitting signals, networks used for radio and television broadcasting, and cable television networks, irrespective of the type of information conveyed, used primarily or mainly for the provision of publicly available electronic communications services)

Providers of publicly available electronic communications services (providers of publicly available services normally provided for remuneration via electronic communications networks, which encompass, with the exception of services providing, or exercising editorial control over, content transmitted using electronic communications networks and services, the following types of services: (a) 'internet access service' as defined in point (2) of the second paragraph of Article 2 of Regulation (EU) 2015/2120; (b) interpersonal communications service; and (c) services consisting wholly or mainly in the conveyance of signals such as transmission services used for the provision of machine-to-machine services and for broadcasting)

Postal service providers (postal service providers as defined in Article 2, point (1a), of Directive 97/67/EC, including providers of courier services)

B. Are you registering your organisation as an NIS2 entity pursuant to Belgian law on NIS2? Should you have any doubt regarding this point, please see the practical information on our website and use our [scoping tool](#).

I declare that our organisation is an important entity in accordance with Belgian NIS2 legislation.

I declare that our organisation is an essential entity in accordance with Belgian NIS2 legislation.

I declare that our organisation falls outside the scope of Belgian NIS 2 legislation.

7. DECLARATION

The undersigned, applicant for numbering capacity, shall immediately inform the BIPT of any change that would result in the data no longer corresponding to reality.

The undersigned declares that all data filled out are complete, true and correct.

8. DATA PROTECTION

You have the right to access your personal data, and request their modification, deletion or the limitation of their processing.

Furthermore, you have the right to object to the processing of your personal data, and request their portability. If the processing of your personal data is based on your consent, you also have the right to withdraw it. However, this will not affect the processing of your personal data that was carried out before the withdrawal of your consent.
