

## Status approval specifications number portability (23/04/2003) in fixed networks

The following specifications have been approved by the STC and the BIPT :

- Service description number portability for geographic numbers (NPG1V1F.doc – approved during STC GEO 3 of 6/5/1998);
- Network architecture and signalling for geographic numbers (NPG2V1F.doc – approved during STC GEO 8 of 30/9/1998);
- Database and operational aspects for geographic numbers (NPG3V1F.doc – approved during STC GEO 10 of 27/11/1998);
- Economic aspects for geographic numbers (NPG4V1F.doc – approved during STC GEO 16 of 15/2/1999).
- Service description number portability for non-geographic numbers (NPNG1V1F.doc – approved during STC 3 NCEO of 13/4/1999);
- Network architecture and signalling for non-geographic numbers (NPNG2V1F.doc – approved during STC 3 NCEO of 13/4/1999);
- Testbook – technical prototype –part 1 (NPG6V1F.doc – approved during STC 20 of 23/6/1999);
- Database and operational aspects for non-geographic numbers (NPNG3V1F.doc – approved during STC 22 of 2/9/1999);
- Operator number portability for geographic numbers – regulatory issues (NPG5V1F.doc - approved during STC 22 of 2/9/1999);
- Database and operational aspects for geographic numbers (NPG3V3F.doc – approved during STC 23 of 17/09/1999);
- Testbook – technical prototype –part 2 (NPG6V1F.doc – approved during STC 23 of 17/09/1999);
- Testbook – technical prototype –part 3 (NPG6V1F.doc – approved during STC 25 of 25/10/1999);
- Testbook – technical prototype (NPGNG6V1F.doc – approved during STC 25 of 25/10/1999);
- Operator number portability for non-geographic numbers – regulatory issues (NPNG5V1F.doc - approved during STC 25 of 25/10/1999);
- Economic aspects for non-geographic numbers (NPNG4V1F.doc – approved during STC 28 of 7/1/2000);
- Database and operational aspects for geographic and non-geographic numbers (NP3v2F.doc – approved during STC 34 of 06/09/2000);
- Database and operational aspects for geographic and non-geographic numbers (NP3v3F.doc – approved during STC 41 of 08/08/2001);

- Fixed Number Portability Provisioning Processes & Common Reference Database for Number Location Database (FNP3v4F.doc – approved during STC 52 of 04/04/2003).
